

Compressor K-418 Data specification

Gas:	Hydrocarbons, high content H ₂ S, various gases
Type of compressor	Oil free
Max pressure ratio:	11:1
Max Capacity:	6.5 m ³ /min of suction conditions
Max speed	8000 rpm
Max discharge pressure:	11 bar a
Drive:	Direct drive or separate gearbox
Cooling:	Optional water injection
Packaging:	Complete package according to customer specification can be supplied
